Commissioners,  
Public Service Commission  
211 Sower Blvd  
Frankfort, KY 40601

Dear Commissioners,

I am writing to express objection to the KU rate increase published on Nov.26, 2014. With the stagnation of wages and the extremely small cost of living increase in Social Security benefits, I am fearful for the poor and elderly whose electric bills will be unbearable especially since we have begun an early winter heating season.

I understand the increase is to take effect Jan.1, 2015. If nothing can be done to reduce the enormous increase they have requested, I propose the date be delayed until the winter heating bills have been calculated and paid the following month.

Sincerely,

A handwritten signature in cursive script that reads "Candy Lykins". The signature is written in black ink and is positioned above the printed name.
